SEND THE FOLLOWING DOCUMENTS TO GENVISA

□ ACTUAL PASSPORT

You must provide your **physical**, signed passport book, including **TWO** (2) color copies of the data page of your passport (pages 2 & 3 of passport). Citizens of the United States must always use their ten-year passports for the China visa process. Second valid (four year) passports may not be used for Chinese visa services at Chinese Consulates in the USA. Your passport must:

- Be valid for six months beyond your trip.
- Contain at least two blank “visa” pages for the visa stamp (the amendment and endorsement pages in the back cannot be used for visa placement).
- Not be torn, separated, or frayed.

□ PHOTOGRAPHS

You must send two professional passport photos. Your photos must:

- Be taken within the last six (6) months.
- Be in color.
- Be taken on all-white background and printed on high-quality photo paper.
- No homemade photos will be accepted.
- Do not staple, tape or glue the photos to the application.

□ PROOF OF RESIDENCY

You must provide **TWO** (2) color copies of your driver’s license or government-issued ID with a current address for proof of residency. Your driver’s license must:

- Be valid at the time of application (not expired).
- If you have a “P.O Box” for your address, you **must** provide a utility bill in each applicant’s name. Utility bills include water, gas, and electricity. **Phone bills, cable bills or bank statements are not accepted.**

* If you are a U.S Green Card holder, please send a legible color copy of the front & back of your card to show proof of legal status in the U.S.

□ VISA APPLICATION

- **One online application form per person.** The China visa application must be submitted online via the following link: <https://cova.mfa.gov.cn>. Select “WASHINGTON DC” as the jurisdiction. Once submitted, you must print and sign **in two places** (Declaration on page 1 and page 8, section 9.1) A sample of the completed China application form can be seen for reference by clicking [HERE](#). **Please note, GenVisa cannot provide assistance with the online application.**

- Due to the complexity of the online China visa application, GenVisa strongly recommends the use of the White Glove Service to have GenVisa staff complete the application on your behalf with no mistakes. (The White Glove Service fee is \$129 PER application in addition to the visa fees). All questions must be answered in full for GenVisa to complete the application accurately. **If you choose White Glove Service, complete the White Glove Service forms only, do not complete the online application. The White Glove Service is NOT an expediting service.**

☐ WHERE YOU STAY FORM

Where You Stay Form, per person, original signature is required in Blue or Black Ink.

☐ VIKING GUEST STATEMENT

You must provide complete Viking Guest Statement.

General Photo Requirements

- **Templates:** As indicated in the sample photos for digital and paper photos.
- **Dimensions:** The digital photo should be between 354 pixels (width) × 472 pixels (height) and 420 pixels (width) × 560 pixels (height). The paper photo should be 33 mm (width) × 48 mm (height).
- **Colour Space:** RGB 24bit true colour.
- **Image Compression:** JPEG and the image file size: 40 KB - 120 KB.
- **Facial Requirements:** The applicant is required to present the frontal view to the camera with the entire head and face clearly visible. The facial expression must be neutral with eyes open, mouth closed and ears visible. There should be no visible distortion of the facial features. There should not be any object such as hand or toy or another person visible in the photo. Eyeglasses are allowed in the photo only if the lenses are not tinted and there is no glare, shadows, or frames obscuring the eyes. The head position: $\leq 20^\circ$ for left or right tilt (Yaw and Roll) and $\leq 25^\circ$ for up or down tilt (Pitch).
- **Head Coverings:** Hats or other head coverings are only allowed if worn for religious reasons and if they do not obscure any facial features.
- **Photo Quality:** The photo should have no damage or impurities, no background light or shadow over face. There should not be over- or under-exposure. The face should be centered in the photo with all the features clearly visible and natural skin tone. The inter-eye distance should be > 60 pixels.
- **Head Size and Orientation for the Digital Photo:** With the digital photo of 354 pixels (width) × 472 pixels (height) as an example, the head should be horizontally centered in the image with the face width at 205 pixels ± 14 pixels. The space from the upper edge of the image to the crown of the head should be 10 - 70 pixels. The vertical distance from the bottom edge of the image to the horizontal line through the centre of the eyes should be > 256 pixels. In special cases, when the hair is too high, the voluminous hair can be trimmed off to ensure the size of the face.
- **Head Size and Orientation for the Paper Photo:** The head width should be between 15 mm and 22 mm and the head height, measured from the base of the chin to the crown of the head, should be between 28 mm and 33 mm. The space between the crown and the upper edge of the photo should be between 3 mm and 5 mm. The space between the chin and the bottom edge of the photo should be ≥ 7 mm.
- **Background and Borders:** The background of the photo should be white or close to white with no borders around the edge of the image.
- **The photo should be recent, taken within 6 months.**

The application portal has a strict photo verification system in place. When taking your photos, please make sure to adhere to the following guidelines: avoid wearing glasses, do not smile, and ensure that your forehead, ears, and entire face are visible. If you have bangs, kindly clip them back before taking the photo. If you are unable to obtain photos with the specific dimensions shown, we also accept regular 2" x 2" passport photos. Please refrain from cropping the photos.
