The ETA/E-Visitor visa is recorded electronically which eliminates the need for visa stamps or labels in your passport. If an Australian ETA is granted, an immigration officer will pull up your issued Australian ETA visa in their records, using the passport information you provided to GenVisa.

Criminal Record: If you have any criminal convictions for which you have been sentenced for total period of 12 months or more even through it hasn't been served yet, you should not be applying for an ETA. You might be eligible to apply for other types of on-line visitor visas at <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/visitor-600> .

If you are found to be in breach of any condition, your visa can be canceled at the border and you will not be able to enter Australia.
