Visas Prior to Your Cruise:

Links with your electronic visas (e-visas) will be sent to your email or mobile phone (via text). Download and print your e-visas and bring them with you to the ship. If the country requires you to download an eVisa (or similar) app, please do so prior to departing for your cruise.

To facilitate the boarding and immigration check-in process, GenVisa and Viking have created a cloud-based storage of all visa receipts. While you will not need to provide physical copies to the ship's authorities during boarding, you should bring physical copies of the visa receipts on board.

Visas During Your Cruise:

If a visa cannot be issued prior to sailing, GenVisa will send a link to your email when the visa is finalized. The ship will also receive a link to visas issued during the cruise for reference purposes. If you need to print these visas on board, please visit Guest Services for assistance.

GenVisa staff, in partnership with Viking Cruises, will secure all necessary visas for your World Cruise that can be obtained prior to your cruise. Since visa effective dates vary, GenVisa will work on each visa to ensure you have the visa in the appropriate time frame for your visit to each country. Visas or ETAs for India, Kenya, Mozambique, Namibia, and Sri Lanka (for Overland Shore Excursion) will be provided via Guest Services on board *Viking Sky* after you have sailed, and in time for each port call.

ETIAS (European Travel Information & Authorization System):

The European Travel Information & Authorization System (ETIAS) has been delayed indefinitely. Once ETIAS has been implemented, guests will need to obtain the ETIAS. However, no additional information is required from U.S. citizens once you have submitted your documentation for the other countries' visas on the World Cruise 2026-2027.

*Consular fees and forms are subject to change without notice. For terms and conditions, changes in requirements and fees, please check online at: www.GenVisa.com/vikingworldcruise

If you are applying 30 days prior to your cruise departure date, please contact GenVisa by phone, 1-800-845-8968, before sending your documents. GenVisa will advise regarding expedited arrangements and fees upon request.

VACCINATION INFORMATION

It is strongly recommended that you visit your physician to discuss your World Cruise itinerary and obtain appropriate advice based on the ports you will visit. In addition to any routine vaccinations you may need to protect your health, please review the specific information below regarding yellow fever and malaria.

Yellow Fever

The following countries on your 2026–2027 World Cruise require vaccination for Yellow Fever. Please consult with your physician to discuss and obtain the vaccination. If the vaccination is not recommended for medical reasons, you will need to obtain and bring a medical waiver provided by your physician on your physician's letterhead.

ANGOLA: Guests must present a World Health Organization (WHO) card with proof of yellow fever vaccination.

CAPE VERDE: Guests must present a World Health Organization (WHO) card with proof of yellow fever vaccination.

Guests who do not have the Yellow Fever vaccination may be denied entry to countries that require it.

Malaria

Some tropical and subtropical countries on your World Cruise itinerary pose a higher risk for contracting malaria due to the proliferation of mosquitoes in these regions.

Please speak with your physician to determine if antimalarial preventative care is appropriate for you. Some shore excursions travel to areas where exposure to malaria will be higher than in the ports and cities.

It is highly recommended that you bring insect repellent for your World Cruise.
